(b) Yes, Sir.

(c) There is a proposal in the VII Plan to establish seven new Radio Stations in the State of Andhra Pradesh. These will be located at Kottagudam, Kurnool, Nizamabad, Mercapuram, Anantpur, Tirupati and Warangal. In the year 1988-89 All India Radio Stations at Kottagudam and Warangal are envisaged to be commissioned into service. The remaining five would be ready by 1989-90.

Villages covered by National and local T.V. Programmes

919. SHRI PRABHAKAR RAO KALVALA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the number of villages in the coun-

try covered under the National and local T.V. programmes;

(b) the number of villages in Andhra Pradesh covered by both National and local T.V. programmes;

(c) whether any steps are being taken to extend this facility to more villages in Andhra Pradesh;

(d) if so, the details thereof; and

(e) by when the scheme is likely to be implemented?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF INFORMATION AND BROADCASTING (SHRI H. K. L. BHAGAT): (a) About 2,76,339 villages in the country are, at present, covered by the National TV programmes. Out of the above, about 1,75,793 villages are covered by regional/local TV programmes also.

(b) Both National and Regional TV services are available to approximately 13,885 villages in Andhra Pradesh presently covered by the TV signals.

(c) to (e) In the State of Andhra Pradesh, schemes for the establishment of a high power (10 KW) TV transmitter each at Anantapur and Tirupati (in replacement of the existing low power transmitters); a low power transmitter each at Adilabad, Srikakulam and Ramagundam; and a TV transposer ech at Vijayawada and Visakhapatnam are under implementation as part of the Seventh Plan. All these projects (except the high power TV transmitter at Tirupati) are scheduled to be completed during the Seventh Plan period. All the villages to be covered by these transmitters will also get both National and Regional TV services.

N.D.D.B's. funds for oilseeds production
